## Meetings

**Location:** All Saints High School\*  
5115 Kanata Ave.

**Time:** 6:30 pm – 8:00 pm

\* This is the location where most meetings will occur.

When meetings and events are held at other locations, we will inform you when and where, as well as of any specific clothing or equipment required. Leaders will use appropriate communication methods to ensure that all parents/guardians receive information in a timely manner. Parents are responsible for transporting and/or arranging for transport of their children to and from scouting activities.

As part of the Wolf Cub program, your child will be involved in many activities including:

- Day trips outside (outdoor games, community hikes)
- Overnight camps / weekend camps
- Visits to special places (such as fire stations, water treatment plants, farms, museums)
- Participation in fundraising (e.g. Scout Popcorn)
- Public events
- Indoor and outdoor games, crafts and songs

If you have any concerns or issues regarding your child's ability to participate in any of these activities, please discuss them with the leadership team. To ensure that your child fully benefits from Scouts Canada's program, it is important that you equip your child (to the best of your ability) according to the activity description provided by us.

You have already filled out the Scouts Canada Participant Profile/Emergency Procedures form. This is a very important tool we use to create a program to best meet your child's needs.

**Please remember that it's your responsibility to update the Pack leadership team regarding:**

- any medical status change that your child's leaders would need to know in case of an emergency
- if emergency contact information changes.

Your co-operation is appreciated by the leadership team. If you have any questions or would like to help out in some capacity, please speak with one of us.
